

## M2K Group Announces M2K Olive Greens Premium Residences in Gurgaon

M2K Group has unveiled the launch of M2K Olive Green Floors, an exclusive residential project located within its 14.56-acre integrated development, M2K Olive Greens, in Sector-104, Gurgaon. The sophisticated development is designed under the DDJAY Scheme, offering premium residential plots, modern luxury floors, and SCO plots, all within a secure and well-connected gated community.

In the first phase, the group launched 128 meticulously designed 3 BHK luxury floors, thoughtfully designed with stilt parking, private terraces, large balconies, modular kitchens, and branded elevators. Strategically located near the Dwarka Expressway, the project enjoys seamless connectivity to key business hubs, attracting strong interest from homebuyers and investors.

The development is set to redefine premium living with its blend of modern design, lush green surroundings, and world-class amenities. It also offers high appreciation potential for investors.

With an expected delivery timeline in the second half of 2029, M2K Group is committed to early completion within 2-3 years, underscoring its efficient construction planning and execution. This fully self-funded project reflects the group's financial strength and long-term vision, ensuring timely delivery without external dependencies.

Dr Vishesh Rawat, VP & Head of Sales, Marketing, and CRM at M2K Group, said, "At M2K Group, we are committed to delivering premium living spaces that blend luxury, comfort, and strategic connectivity. With M2K Olive Green Floors, we are dedicated to curating a lifestyle that offers world-class amenities, lush green surroundings, and a vibrant gated community. The project has received an overwhelming response, particularly from end-users, due to its prime location, high appreciation potential, and exclusive lifestyle offerings. We believe this project is ready to set new benchmarks in luxury living while ensuring strong returns for investors." Priced at Rs 1.95 crore under a limited-time Navratra Offer, M2K Olive Green Floors presents a compelling investment opportunity in Gurgaon's fast-growing real estate market.

At the heart of the development is the 22,000 sq. ft. Club 104, offering many premium amenities, including a swimming pool, café, home theatre, banquet hall, cricket practice net, squash and tennis courts, and a half-basketball court. Additionally, the project features water bodies, a dedicated kids' play area, designer street lighting, underground utilities, and a water treatment plant, ensuring a sustainable and future-ready living experience.

## M2K Group Announces Premium Residential Project 'M2K Olive Green Floors' in Gurugram
